

SPECIAL TRAINING ANNOUNCEMENTS

From time to time, the Environmental Health Division of the St. Mary's County Health Department receives information about training courses that relate to the Environmental Code. These training events will enable residents to become qualified for certain positions available in the community.

The Environmental Health Division does not endorse these programs. They are for information purposes only.

Lifeguard Training - Naval Air Station at the Drill Hall. For more information, call Jason Fean at 301-757-1194.
Swimming Pool/Spa Operations and Maintenance Course - There are courses at both the La Plata and Leonardtown campus of the College of Southern Maryland. For more information, contact the Continuing Education Department, Non-credit course offerings at 301-934-7727.
Lifeguard Training - Several courses are available at the La Plata campus of the College of Southern Maryland. For more information, contact the Continuing Education Department, Non-credit course offerings at 301-934-7727.
